

Pacific Harbour Toad Busters

Call to Action

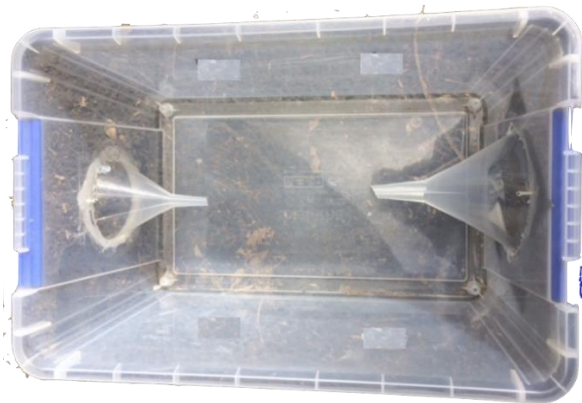

1. Collect mature toads

Toad Collecting sessions every third Thursday at 7.00pm (6.30pm for new helpers) - Meet in the club carpark for induction

induction

Collect toads anytime – the fridge freezer is now in place to cool down and freeze your catch, no more than 10 toads in each bag

***** REMEMBER – toads are toxic, so use gloves *****

2. Become a Watercourse Coordinator and make a Toadpole Trap.

If you live on a watercourse and interested in collecting Toad eggs and toadpoles, please contact Simon on 0419677101, simonmiddap@bigpond.com

Care with handling is required, induction required
